The GreenGo Travel Difference

TABLE OF CONTENT

We Are

A sustainable travel company based in Quito, Ecuador; operated by local experts with USA management. We specialize in custom made tours for mainland Ecuador & the Galapagos Islands.

For the past 2 years we have seamlessly put together an assortment of tours that have been completely personalized from start to finish.

GreenGo Travel would not be the same without our great team of local experts, continuously on the field expanding their knowledge to better serve our clients.

We have only one

PLANET EARTH

Travel smart, travel green

GreenGo Travel Difference

What We Represent

Our core values and what makes us stand out from the pack.

Green Standards

Your clients & the planet will thank you for operating with sustainable practices, we pride ourselves with the many ways we can carry out dream tours responsibly, supporting locals & their environments.

Refreshing Ideas

We love what we do and it shows with the many original & creative tour offerings we have at our disposal, we can't wait to get started with creative & unique ideas to build the perfect tours for your clients.

Ecuador Love

Mainland operation in Ecuador is powered and operated by Ecuadorians and their local knowledge, this gives us a competitive edge over foreign agencies in the country, or travel operators abroad.

Easy As 1,2,3

Reassurance for you & your clients, that we are spinning the wheel in the background. Offering a quality service with easy to follow guidelines, always striving for a seamless booking experience.

Our Cores Values Are

- An informed traveler is a responsible traveler.
- To offer personalized & unique travel experiences.
- Fully committed to responsible tourism.
- Full support for travelers, from start to finish.

Why Choose Us?

- Efficient & rapid response time.
- Fluent bilingual staff (English - Spanish)
- Fully customized tour options for your clients needs.
- Personalized service to make your clients feel at home.

Ecuador's Diversity

TABLE OF CONTENT

ECUADOR HISTORY

With thousands of years in the making, Ecuador's origins have emerged from an invaluable historical past that lives on to this day in all corners of the country.

Inca ruins that date back to the pre Columbian era, and Quito, considered a world's heritage site for its imposing architectures, and stunning cathedrals that display a fusion of European and Indigenous art.

Ecuador with just reason has Evolved into a must stop among tourists; offering unique travel experiences.

All you need is
ECUADOR
A never ending discovery

Ecuador's Diversity

All you need is Ecuador

A country full of history, diversity and natural wonders, we have it all.

Our People

Indigenous groups & tribes, mixed raced, dark & light skinned, all Ecuadorians have one thing in common; they are kind, welcoming, & humble. Our many tour offerings provide the best ways of interacting & experiencing first hand their lifestyle.

Our Highlands

Stunning & awe inspiring landscapes at every turn, Ecuador's avenue of the volcanoes hold an incredible amount of expeditions & activities. Climbing to peaks, Biking downhill & horse-back riding are only but a small glimpse of possibilities.

Our Culture

No travel experience is complete without participating in local customs, Ecuador's culture will embrace its visitors with unique cuisine, colorful clothing, folkloric music, & more! Visitors will feel the warm welcome in their everyday activities.

Our Coastal Region

A rich & fertile land that makes Ecuador all that more appealing, beautiful long reaching beaches, tropical weather & amazing wildlife, makes the coastal region a must see for any holiday travelers looking to leisure & enjoy some Ecuadorian sun.

Huge Diversity

With 4 different regions found in Ecuador, the amount of diversity per land area is astonishing, it actually tops the list worldwide. Nature rich destinations are found at every turn in Ecuador, it's not uncommon for past visitors to return for more, and you often hear them saying that time spent in the country wasn't enough. Our custom made travel options provide a personalized approach to this vast diversity.

Weather Perks

Weather in Ecuador is one of the main reasons why the country is so abundantly blessed with nature & wildlife. With short travel distances, visitors are astonished how weather, temperature and their surroundings change before their eyes. From the highlands to the coast or to the amazon rain forest, it can all be accessed in the same day with commercial flights. An unlimited amount of possibilities for dream holidays.

The Galapagos Islands

TABLE OF CONTENT

A world within itself

MAGICAL ISLANDS

Inhabited by a different set of beings

The Enchanted Islands

A place like no other, the Galapagos islands have long marveled the world with unprecedented beauty & raw nature that doesn't cease to captivate all that set foot in this magical land.

What was considered a wasteland now receives thousands of curious visitors every year. Tame wildlife that allows close encounters with fascinating creatures, & unparalleled landscapes.

Our Galapagos specialists will provide invaluable support for personalized tour options that best suit your clients needs.

The Galapagos Islands

A Once In A Lifetime Journey

The biggest wildlife spectacle on earth! Magical islands in a never ending evolution.

Wildlife

One of the biggest selling points for the Galapagos is the unique & vast amount of wildlife the islands hold. Allow us to guide your customers in the right direction, pointing out the best ways to observe specific wildlife that caters to their interest.

Landscapes

Floreana, Bartholomew & Fernandina are only but a few examples of the vast differences among landscapes that can be found across the islands. Easily narrow down landscapes included in tour programs with our Galapagos experts advice.

Galapagos Travel Options

Visitors can chose from the following travel methods.

- Live Aboard Cruises:** The best approach for reaching distant islands, efficient travel, observing as much landscapes & animals as possible.
- Island Hopping:** In depth adventurous activities, hopping through main islands using a networked line of hotels in the archipelago.
- Land Based:** The perfect alternative to cruising, activities based off a central location (Hotel) ,to explore the islands at visitors own pace.
- Diving:** Live aboards & land based tours that feature diving as their primary activity, a whole other world to be discovered underwater.

Itineraries

An important element to a Galapagos tour that significantly changes among cruises, & updated on a yearly basis. Our Galapagos experts are up to date with the latest changes & ready to provide you with tailored suggestions.

Galapagos Experience Highlights

The different ways visitors can interact with the islands.

- Wildlife observation
- Guided hikes, sightseeing
- Dhingy rides
- Beach combing & leisure
- Cruising in the open ocean
- Diving
- Photography
- Biking & horseback riding
- Extended treks
- Artisanal responsible fishing
- Volcano climbs
- Self guided trails
- Breeding stations & port visits.
- Board surfing

Activities

Will i climb a volcano? Can we snorkel here? How long will the walk be? Available activities are not the same for all tours, our Galapagos experts will take all these questions into account when preparing tailored suggestions that meet individual needs.

The Amazon Rainforest

TABLE OF CONTENT

A Green Paradise

A staggering amount of wildlife and nature can be found in Ecuador's pristine rain forest, networked rivers, insects, birds, mammals, reptiles and much more, all covered in a green mantle that stretches far into the horizon.

Ecuador's small yet convenient size, boosts quick access to the regions of Coca, Lago Agrio & Macas, the gates to primary jungle.

Simply put Ecuador's rain forest is a green paradise waiting to be discovered, venturesome travelers will be delighted with so much to see and do!

Reserves, Tribes & Wildlife
UNSPOILED NATURE
Waiting to be discovered

The Amazon Rainforest

Immerse Yourself In Nature

A first row seat to a unique ecosystem, home to exotic wildlife & unmeasurable nature.

Wildlife

Unmeasurable nature & wildlife, the perfect combination for unforgettable tours. Don't be overwhelmed with recommending the right lodge where it will be more likely to spot a pink dolphin, or a pigmy marmoset, we can provide reliable advice.

Amazon Travel Options & Regions

How to visit the rain forest & the available regions.

Amazon Lodges: The most popular way of discovering the amazon, ranging from 4 to 5 day tours exploring the lodge surroundings.

Amazon Cruises: Live aboards that gradually cover different parts of the rainforest, the best approach for an engaging experience.

Coca Region: Primary rainforest, home to the yasuni national park & other reserves with worldwide recognition for their vast diversity.

Lago Agrio Region: Popularly known for the cuyabeno reserve, an affordable primary rain forest with many lodges & nature rich tours.

Lodges & Cruises

From lodges built to blend with nature & offer activities in the surrounding area, to cruises in a continuous exploration, taking guests through many ecosystems, our assistance can provide you with invaluable guidance for your clients needs.

Parks & Reserves

With several reserves & parks spread throughout the Ecuadorian amazon, it can be overwhelming to know lodges based on location. We have great expertise in this regard, easily recommending the best lodge found near reserves & parks.

Amazon Experience Highlights

Adventure packed activities clients can participate in.

- Exciting Night Safari's
- Rain Forest Hiking
- Discovery of Medicinal Herbs
- Community Visits
- Canoeing & Kayaking
- Piranha Friendly Fishing
- Wildlife Photography
- Bird Watching
- Shaman Experience
- Spotting Wildlife
- Camping
- Extended Treks
- Live Aboard Cruising
- River Tubing

Communities

Kichwa, Huaorani, Siona, Achuar are some of the many communities that can be found in Ecuadorian amazon. If your clients are looking to visit a specific community we can provide guidance & recommendations for the best approach possible.

Cloudforest & Spa's

TABLE OF CONTENT

Invigorate your senses

SOOTHING RETREATS

Surreal wildlife and nature

GreenGo
— TRAVEL

Lavish Nature

In the valley at the base of 2 mountains (Papallacta Hotsprings), a tropical resort located in a natural hotspot (Arasha), & (Mashpi Lodge) a mix of rain & cloudforest, these are only but a few examples of the many natural retreats visitors can find in Ecuador.

No better place to get in touch with nature while getting pampered, all reserves & spa's are in close proximity to Quito, allowing guests to get started with scheduled activities the very same day of their arrival.

The perfect blend of relaxation, adventure & nature.

Cloudforest & Spa's

The perfect Getaway Among Nature

Awaken your senses, Spa's & Reserves in secluded forests; nature at its best.

Wildlife

A birding spectacle, Ecuadorian cloud-forest boasts over 1500 species, many types of frogs that blend with the vegetation & serves them as a camouflage from predators. Countless amount of insects & reptiles are all waiting to be discovered.

Activities

Not all has to be relaxation, guests can be part of exciting hikes, swimming, & other activities that emphasizes the many natural wonders cloud forest's & Spa's retreats can offer. Guests will be entertained & inspired with all there is to see & do.

Recommended For

Popular among the following type of travelers.

- Couples:** Romantic themed rooms, peaceful & remote resorts, spa services & relaxation all set the perfect vibe for couples.
- Bird Watching:** No better place then the cloud forest for birdwatching, birders will be fascinated with the vast amount of species.
- Nature Lovers:** Suitable for anyone that enjoys nature, Spa's & retreats are only but guests among remarkable ecosystems.
- Easy Tours:** A great alternative for those looking to visit a forest but are short on time, or looking to avoid a vigorous rain forest tour.

Resorts & Lodges

Beautiful & stunning resorts that seamlessly blend with their surroundings, & rustic lodges for wildlife lovers. Different approaches catering to different types of travel, one way or another they both offer a quick getaway with nature.

Spa & Relaxation

No holiday is complete without some proper relaxation, guests can choose from a galore of spa services in resorts. Retreats in Ecuador are so much more than a good massage, found among nature turns the whole visit into an exceptional experience.

Spa's & Reserves Highlights

Services & activities guests will find in resorts & Lodges.

- Night Walks
- Cloud Forest Hiking
- Discovery of Insects
- Horseback Riding
- Biking
- Tubing & Rafting
- Spa Services
- Hot Spring Pools
- Jacuzzi & Sauna
- Recreational Lodge Activities
- Bird Watching
- Cascades Swimming

Work With
GreenGo Travel

Reach New
HEIGHTS

Take your business to the next level!

Empower your business by partnering with GreenGo Travel, Ecuador is a small gem in South America full of unique destinations and attractions we specialize in. Add value to your agency by adding Ecuador as part of your tour offerings. We provide 2 partnership methods, providing flexibility to your business needs.

Outsource Travel Services

Increase your revenue with minimal effort!

Let us do the heavy lifting, we handle all booking aspects for your clients, tour availability, email follow up, logistics and much more.

CLIENT

A Client reaches your agency showing interest in a Galapagos or Ecuador tour we offer.

GREENGO TRAVEL

You forward us your client details, our travel consultants we handle your clients requests directly and try to close the booking.

FOLLOW UP

A representative for your agency (of your choice) will be copied (cc'd) in all email communications, guaranteeing our level or services.

CONFIRMATION

Once a booking has been confirmed receive a fixed commission based on the type of tour sold.

Benefits

- Start advertising Ecuador as part of your services today! Your staff and agency don't need to know how to sell Ecuador, all questions, material and inquiries for your clients are handled directly by our local travel consultants.
- Over 100 tours and growing, our continuously expanding portfolio can be part of yours today! Add Ecuador quality programs to your tour offerings.
- Take advantage of all that Ecuador has to offer, from world wide campaigns to a super-bowl commercial, Ecuador is garnering the worlds attention.

Keep In Mind

- Outsourcing to GreenGo Travel means we will be using our own material with clients, such as our logos, website, and other documentation par of our trademark.
- Only fixed commissions (varies per tour) are available when outsourcing all the booking process to GreenGo Travel.
- All communication with clients will be limited to English/Spanish both spoken and written, via email, over the phone, skype or other communication methods.

Affiliate Program

Add quality tours to your portfolio with the best rates in the market!

Our affiliate program partnership provides the best rates with the right tools to easily add Ecuador as part of your tour offerings.

CLIENT

A Client reaches your agency showing interest in a Galapagos or Ecuador tour we offer.

TRAVEL AGENTS

Your travel agents communicate with ours, both trying to find the right tour that suits your clients needs and requirements.

YOUR AGENCY

Your agency keeps direct communication with clients, offering available tours and services.

CONFIRMATION

Booking confirmed, add any profit you see fit over the competitive base rates we offer your agency.

Benefits

- We provide you with the lowest base rates in the market, add marginal profits for your business, while still maintaining highly competitive rates.
- Keep your own branding, booking methods and more with Ecuador tours. We work with you behind the curtains, providing you with the right information you can then pass on to your clients.
- Fast and efficient response. Our travel consultants will expedite your requests, offering you the right tours and services, saving you time that translates to an efficient service for your clients.

Keep In Mind

- Your staff will have to pass on the information to clients, translating available offers and tours. More time consuming vs outsourcing us with direct communication to your clients.
- Promotional material will provided in English upon request, not available online, and might require additional steps by your marketing department to add your own branding, language or trademarks.
- If you advertise tours online, you might have to add informational pages about tours or regions you want to sell on your website.
